

Jack ve Tara Video Audit Tracker

Instagram is the source of truth. Match videos by content, caption, hook, visual subject, and source URL, not by

Metric	Count
Instagram source videos inventoried	0
Videos complete across all six non-Instagram	0
Videos with at least one missing platform	0
Raw platform observations logged	0

Audit Rules

1. Instagram jack.ve.tara.remax is the source inventory. 2. Dates are context only and must not decide a match. 3. A match needs content similarity: topic, caption, visual subject, and/or downloaded file identity. 4. Confidence below 70% stays Needs Review. 5. Do not upload until the row is reviewed and the platform cell is Missing.

Notes
Rows with an Instagram URL in the source inventory.
Complete means every target platform is Found Exact or intentionally skipped.
Use Missing Upload Queue to plan repost work.
Evidence rows gathered from each account.
